

# Standard & Private Label Recipes

**QUALITY**  
Pet Foods 

Your Trusted Partner for Quality Pet Food in New Zealand

# What do we offer?

## Specialized Pet Food Contract Manufacturing in New Zealand for Your Brand

Locally sourced New Zealand meats: grass fed beef, lamb and venison, free range chicken, king salmon, ocean fishes etc

NO wheat, gluten, GMO ingredients, corn, cereals, dairy, gums, starch, or any other fillers

## - Standard Recipes

### Ready-to-Market Recipes

Working with accredited veterinarians and researchers from Massey University, New Zealand's leading institution in animal science, we've crafted recipes focusing on ideal consistency, nutrition, and digestibility. We also offer additional services such as clinical feeding trials and comprehensive AAFCO testing to ensure compliance with Complete and Balanced standards, available upon customer request.

**All our recipes exclusively use New Zealand-sourced meat, organs, and green-lipped mussels.**

#### AIR-DRIED

Complete and balanced meals, gently air-dried for natural goodness

#### WET-CANNED

Complete and balanced, hydrating, nutritious, and full of flavour

#### AIR-DRIED TREATS

Nutritious, dental health boosters and rewarding snacks

Download recipes on our website: [www.nzqpetfood.com](http://www.nzqpetfood.com)

## - Private Label Recipes
